## **Our Vision**

We see a vital movement of the Gospel, fueled by prevailing prayer, flowing freely through relational networks and out into the nations. Workers of the kingdom are next door to everywhere.

These workers have a heart for the whole person. They create climates of grace. They have compassion for the vulnerable and broken. Their work is characterized by cultural relevance and sensitivity, and they work interdependently with others in the wider family of God. They are transformed men and women, people who are fragrant with humility and the aroma of Christ. They are marked by a deep engagement with and obedience to the Scriptures as the Word of God. They believe the promises of God. Both personally and in committed communities, they seek to know and pursue the purposes of God.

We see a movement of ordinary people, in many walks of life, who are joyfully leading integrated lives. They live as fruitful men and women among the lost. They persevere in the face of hardship and suffering. We see many coming to faith around the world. As they become established in discipleship, some grow to become foundational for further generations. The Gospel spreads naturally and powerfully, as believers share Christ, life to life, family to family.

Pioneers multiply our vision as they cross-cultures into new cities and nations in such a way that transformed communities multiply. These communities are bringing joy and hope to their surrounding environments as relationships are healed and justice increases.

The leaders of this movement, developed and empowered for God's service, live out a growing commitment to Christlikeness. They are dependent upon the Holy Spirit. New generations of leaders are emerging, rooted incarnationally in their local and national contexts. An international leadership community brings focus, alignment, and energy to the movement, bringing long-term impact in generational ministry.
